NEWSY NOTES OF SUMMERTON

One of the features of Armistice Day was the foot ball game between Summerton and Bishopville high schools. Bishopville who had run up big scores on both Manning and Kingstree, each of whom had defeated Summerton, thought they would run up a large score here, and keep our team from scoring. But such couldn't be, for "Red" Godwin grabbed a pass in the third further and rushed the forty yards between himself and the goal for touchdown. And this was not all, just before the end of the first half Hugh Gus had plunged his way up the field, on the road for a score, only to have two passes dropped and Bishopville got the ball. Altogether, though the first half was decidedly the visitors; for they scored 28 of their 34 points during this half.

The second half was ours, absolutely from the kick off which Bill Davis returned 25 yards, till the whistle, as James Richardson took a pass for 20 yards, it was all Summerton—except for one short instant when Bishopville intercepted a pass and went over. During this half, James McKnight ran his team like a "Bo" McMillon, and the backfield responded like men of more experience—fake plays and pass formations going off like clock work, with Burgess passing almost perfectly. The only thing that kept us from scoring more was the "rubber tendency" on the part of those receiving passes. They dropped there, usually. Even at that, the three lines carried the ball inside the 20 yard line and some one failed, till "Red" got loose and Summerton had done what neither of her competitors could do.

The game was featured, in the first half by the all-round precision and drive of the Bishopville team, with a few bright spots of individual playing on Summerton's part. Godwin and Allen Davis, the three ends, played good ball all the game. Bill Davis at-

tacked did the same, while Hugh Gus and the halves backed up the line well. In the second half things were reversed and the whole Summerton team scored.

Summerton Lodge No. 105 A. F. M. convened on Friday night, 11th. The third degree was conferred on several candidates, and the work done to perfection, after which the members were set up to oysters and coffee by the class, to the enjoyment of all present.

This Lodge is up to date in every respect, almost, and obeys the edicts of the Grand Lodge, A. F. M. They had their check \$166.00 at headquarters on the Anniversary day of the George Washington National Masonic Memorial Association, November 4th, as is shown by the following receipt and copy to A. Frank Hart, Grand Secretary and J. C. Lanham, Secretary, Summerton, S. C.

Mr. J. Claude Kuper, Treasurer,
— Washington, D. C.

Dear Sir and Bro.

Please find herewith check to your order for \$166.00 from Summerton Lodge No. 105 A. F. M., Summerton, S. C. This is \$1.00 per capita.

Please make out Life Membership and 100 per cent. certificate in the name of this Lodge, and send same to Br. J. C. Lanham, Secretary, Summerton, S. C.

Fraternally yours,

Geo. T. Bryan,
State Chairman.

P. S.—"I congratulate you and your Lodge upon its generosity and splendid achievement. G. T. B."

That indicates that there will be erected to the memory of the father of this country, George Washington, an immense structure on Shooters Hill, Alexandria, Va., the financing of which will be done by the Masons of the United States, as every Mason is expected to contribute at least, one dollar each. That building will be erected, for every Mason is just as intent on that as the people were in the olden times when it was declared: "So built we the wall; and all the wall was joined together unto the half thereof: for the people had a mind to work."

This Lodge hasn't given out specifications and contract for their temple at Summerton yet, but the matter is now in the hands of a committee of the best business members, as I have learned by the grape vine route, but as soon as I get the particulars I will give you a write up.
